### **Get excited about our new packaging!**

We're switching from plastic to paper-based packaging. That's why you might find a mix of paper and plastic in our boxes!

### **Nos nouveaux emballages vous emballeront !**

Nous passons des emballages en plastique aux emballages à base de papier. C'est pourquoi vous pourriez trouver un mélange de papier et de plastique dans nos boîtes !

### **¡Te presentamos nuestros nuevos empaques!**

Estamos sustituyendo las bolsas de plástico por bolsas con base de papel. ¡Por eso, puedes encontrar una mezcla de papel y de plástico en nuestras cajas!

# BUILD YOUR OWN WORLD OF WONDERS

## TAJ MAHAL

The first stop on your tour of the Wonders of the World is the Taj Mahal – a breathtaking monument to everlasting love. In 1631, the emperor Shah Jahan commissioned the stunning marble mausoleum in Agra, India, in memory of his wife, the Empress Mumtaz Mahal. An ethereal vision of perfection that took 17 years to complete, it remains a majestic symbol of divine perfection, balance and harmony.

## THE GREAT WALL OF CHINA

This astounding architectural marvel stretches more than 13,100 miles (20,000 km), or the equivalent of halfway around the Equator, through the Northern part of China. The Great Wall consists of a series of separate walls, fortresses, passes and beacon towers. Constructed between 700 BC and the 17<sup>th</sup> century AD, its historical and cultural significance throughout the millennia is unparalleled.

## THE PARTHENON

The Parthenon, part of The Acropolis of Athens, Greece, was erected in the 5<sup>th</sup> century BC. Groundbreaking architects and sculptors transformed the rocky Athenian hilltop into a lasting tribute to beloved ancient gods. The Acropolis is now mostly known as the birthplace of classical Greek culture and art, as well as philosophy, democracy and the intellectual foundation for our modern-day values.

## AL KHAZNEH

Your final stop is Al-Khazneh (The Treasury) in the ancient city of Petra, Jordan. Half-built, half-carved into a red sandstone gorge during the 4<sup>th</sup> century BC, the structure included a sophisticated watering and sewage system. Once part of the capital of the Nabataean Kingdom, and a thriving, pivotal trade center for Indian, Chinese and Arabic goods, it is now one of the largest archeological sites in the world.

# CONSTRUISEZ VOTRE PROPRE MONDE DE MERVEILLES

## LE TAJ MAHAL

Le premier arrêt de votre découverte des merveilles du monde est le Taj Mahal, un monument à couper le souffle dédié à l'amour éternel. En 1631, l'empereur Shah Jahan fait construire un étonnant mausolée en marbre à Agra, en Inde, à la mémoire de son épouse, l'impératrice Mumtaz Mahal. Vision éthérée de la perfection ayant nécessité 17 ans de travaux, le Taj Mahal reste un symbole majestueux de la perfection divine, de l'équilibre et de l'harmonie.

## LA GRANDE MURAILLE DE CHINE

Cette stupéfiante merveille architecturale s'étend sur plus de 20 000 km, soit l'équivalent de la moitié du tour de l'équateur, à travers la partie nord de la Chine. La Grande Muraille est composée d'une série de murs séparés, de forteresses, de cols et de tours de guet. Construite entre 700 avant J.-C. et le 17<sup>e</sup> siècle après J.-C., elle revêt une importance historique et culturelle inégalée au fil des millénaires.

## LE PARTHÉNON

Le Parthénon, qui fait partie de l'Acropole d'Athènes, en Grèce, a été érigé au 5<sup>e</sup> siècle avant Jésus-Christ. Des architectes et des sculpteurs révolutionnaires ont transformé le sommet rocheux de la colline athénienne en un hommage durable aux dieux antiques vénérés. L'Acropole est aujourd'hui surtout connue comme le berceau de la culture et de l'art grecs classiques, ainsi que de la philosophie, de la démocratie et du fondement intellectuel de nos valeurs modernes.

## LA KHAZNEH

Le dernier arrêt est la Khazneh (« le trésor ») dans l'ancienne ville de Petra, en Jordanie. Mi-construite, mi-taillée dans une gorge de grès rouge au 4<sup>e</sup> siècle avant J.-C., la structure comprend un système sophistiqué de canalisation et d'évacuation des eaux usées. Autrefois partie intégrante de la capitale du royaume nabatéen et centre de commerce essentiel pour les marchandises indiennes, chinoises et arabes, c'est aujourd'hui l'un des plus grands sites archéologiques du monde.

# CONSTRUYE TU PROPIO MUNDO DE MARAVILLAS

## EL TAJ MAHAL

La primera parada de tu itinerario por las Maravillas del Mundo es el Taj Mahal: un impresionante monumento al amor eterno. En 1631, el emperador Shah Jahan encargó la construcción de este impresionante mausoleo de mármol en Agra (India) para honrar la memoria de su esposa, la emperatriz Mumtaz Mahal. Una visión etérea de la perfección para cuya ejecución se necesitaron 17 años, sigue siendo un majestuoso símbolo del carácter perfecto, equilibrado y armonioso de lo divino.

## LA GRAN MURALLA CHINA

Esta impresionante maravilla arquitectónica se extiende más de 20.000 km (el equivalente a la mitad del ecuador de la Tierra) por la parte norte de China. La Gran Muralla se compone de una serie de murallas, fortalezas, pasos y torres almenara independientes. Construida entre 700 a. C. y el siglo XVII d. C., su importancia histórica y cultural a lo largo de milenios no tiene comparación.

## EL PARTENÓN

El Partenón, parte de la acrópolis de Atenas (Grecia), se erigió en el siglo V a. C. Revolucionarios arquitectos y escultores transformaron la rocosa cima de la colina ateniense en un homenaje perdurable a los reverenciados dioses antiguos. La Acrópolis es hoy principalmente conocida por ser la cuna de la cultura y el arte griegos clásicos, la filosofía, la democracia y los fundamentos intelectuales de los valores modernos.

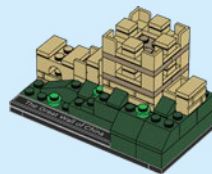

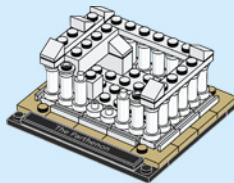

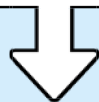

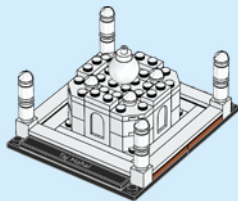

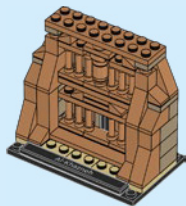

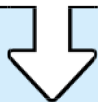

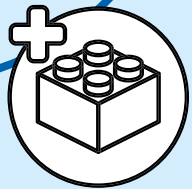

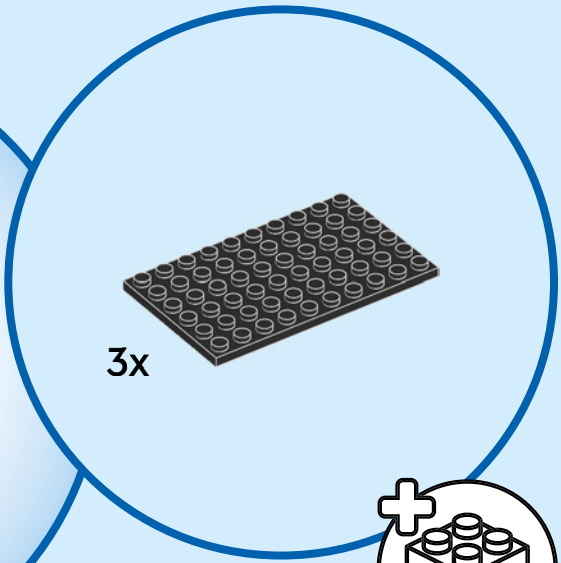

## AL-KHAZNEH

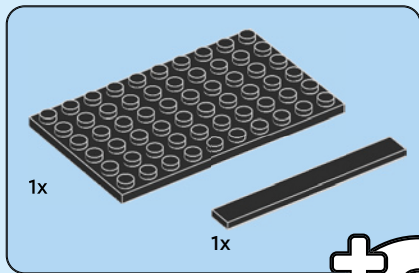

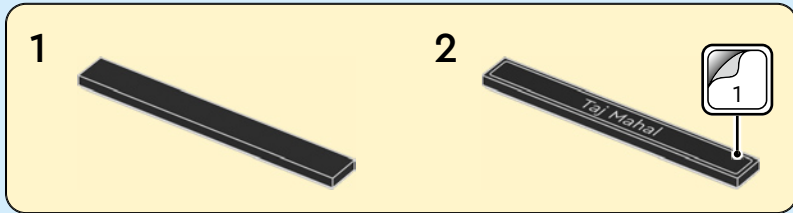

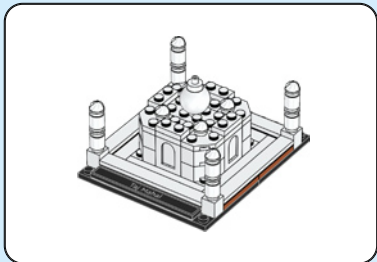

La última parada es Al-Khazneh (El Tesoro), en la antigua ciudad de Petra (Jordania). Mitad edificada y mitad tallada en un desfiladero de arenisca roja durante el siglo IV a. C., la estructura incluía un sofisticado sistema de riego y alcantarillado. La que fuera parte de la capital del reino nabateo y un próspero y fundamental centro de comercio de productos procedentes de India, China y Arabia, es hoy uno de los yacimientos arqueológicos más grandes del mundo.
