LEVEL 2 - THE STREET

The street level of NINJAGO® City boasts more affordable shops and restaurants and is always crowded with shoppers and tourists. It is the place to go, especially on weekends, when everyone from bargain hunters to upscale shoppers can be found going from store to store.

One of the main draws is Crab Kitchen, a reasonably priced and well-known seafood restaurant. All the food is made fresh, using crabs caught in the waters off the city. Crab Kitchen is in a perpetual rivalry with the sushi restaurant on the upper level, so going into one and saying you really like the other is a bad idea.

After you have finished eating, you can take a walk over to the comic store to pick up the latest adventures of your favorite heroes and all sorts of ninja memorabilia. There is also a high-fashion shop here, offering the very latest in ninja team gear for their fans.

Once you are done shopping, you can pick up some extra cash at the ATM and then check out the movie poster stand to see what is playing.

MINIFIGURES

SEVERIN BLACK

Known for his delicious dishes, this chef is also famous for his rivalry with his brother, a well-known sushi chef. You can often find him at the docks, nagging the fishermen to make sure he gets the best crabs and his brother gets last week's fish.

MOTHER DÓOMSDAY

Mother Dóomsday is the owner of Dóomsday Comix and a big fan of the ninja. He is usually busy running the store or at comic conventions, but always finds time to follow the exploits of his favorite ninja heroes.

TOMMY

He is the biggest fan of the Green Ninja anywhere! When he is not in school, you can find him drawing Green Ninja comics, writing about the hero on his blog, and uploading Green Ninja memes.

GUY

A successful executive, Guy has lots of money to spend on whatever he wants. But you will not catch him on the Old World level. He prefers to shop in the pricier stores higher up.

JUNO

She is a fashion designer and she is all about looking her best. She loves to shop for clothes, but does not have very good luck downtown. Something is always messing up her outfit!

NIVEAU 2 - LA RUE

Le niveau de la rue dans la ville de NINJAGO® propose des boutiques et restaurants plus abordables et déborde toujours d'acheteurs et de touristes. C'est un endroit incontournable, notamment le week-end : tout le monde, des chasseurs de bonnes affaires aux acheteurs huppés, passe d'un magasin à l'autre.

L'une des meilleures adresses est Crab Kitchen, un restaurant de fruits de mer bien connu et proposant des tarifs raisonnables. Tous les plats sont frais et réalisés à base de crabe pêché au large de la ville. Crab Kitchen est l'éternel concurrent du restaurant de sushis au niveau supérieur ; mieux vaut éviter de vous rendre dans l'un d'eux et d'annoncer que vous adorez l'autre.

Une fois votre repas terminé, vous pouvez vous promener dans le magasin de bandes dessinées pour découvrir les dernières aventures de vos héros préférés et toutes sortes de souvenirs sur les ninjas. On y trouve aussi une boutique de mode de luxe, proposant les dernières nouveautés en tenues de ninja, destinées aux fans.

Lorsque vous aurez terminé vos emplettes, vous pourrez retirer de l'argent au guichet automatique, puis jeter un coup d'œil aux affiches des films présentés au cinéma.

FIGURINES

SEVERIN BLACK

Connu pour ses délicieux plats, ce chef est tout autant célèbre pour sa rivalité avec son frère, un maître sushi renommé. On le trouve souvent sur les quais, à tourmenter les pêcheurs pour qu'ils lui réservent les meilleurs crabes et donnent le poisson de la semaine passée à son frère.

MÈRE DOOMSDAY

Mère Doomsday est le propriétaire de Doomsday Comix et un grand fan de ninjas. Il s'occupe généralement de son magasin ou assiste à des salons de bande dessinée, mais trouve toujours le temps de suivre les exploits de ses héros ninjas préférés.

TOMMY

C'est le plus grand fan du Ninja vert qui soit ! Quand il n'est pas à l'école, on peut le retrouver en train de créer des bandes dessinées du Ninja vert, d'écrire des articles sur son blogue ou d'envoyer des memes sur son héros.

GUY

Guy est un dirigeant qui a beaucoup d'argent à dépenser. Mais on ne le croquera jamais dans l'Ancien Monde. Il préfère magasiner dans les boutiques plus chères et plus élevées.

JUNO

C'est une créatrice de mode qui veut se montrer sous son meilleur jour. Elle adore acheter des vêtements, mais manque de chance quand elle va au centre-ville. Il y a toujours quelque chose qui gâche sa tenue !

NIVEL 2: LA CALLE

Las calles de la ciudad de NINJAGO® cuentan con tiendas y restaurantes muy económicos y siempre llenos de compradores y turistas. La visita es obligada, especialmente en fin de semana, cuando todos, desde cazadores de gangas hasta compradores de alto nivel, recorren la ciudad de tienda en tienda.

Uno de los principales atractivos es el Crab Kitchen, un popular restaurante de mariscos con precios razonables. Toda la comida es fresca y los platillos se preparan con cangrejos de las aguas de la ciudad. El Crab Kitchen es el eterno enemigo del restaurante de sushi del nivel superior, así que ir a uno de ellos y decir que prefieres el otro no es una gran idea.

Cuando hayas terminado de comer, podrás caminar hasta la tienda de cómics para comprar la última edición de las aventuras de tus héroes favoritos y todo tipo de recuerdos de los ninjas. Aquí hay incluso una tienda de alta costura que ofrece lo último en ropa ninja para los fans.

Luego de hacer tus compras, podrás sacar dinero del cajero automático y dar un vistazo a las carteleras del cine para ver qué películas hay.

MINIFIGURAS

SEVERIN BLACK

Conocido por sus deliciosos platillos, este chef es también famoso por su rivalidad con su hermano, un famoso chef de sushi. Es fácil encontrarlo en los muelles, atormentando a los pescadores para asegurarse de conseguir los mejores cangrejos y que su hermano reciba pescado de la semana pasada.

MADRE DÓMSDAY

Madre Dómsday es el propietario de Dómsday Comix y un gran fan de los ninjas. Normalmente está ocupado dirigiendo la tienda o asistiendo a convenciones del mundo de los cómics, pero siempre tiene tiempo para seguir las hazañas de sus héroes ninja favoritos.

TOMMY

¡Es el mayor fan del Ninja Verde del mundo! Cuando no está en la escuela, lo puedes encontrar dibujando cómics sobre el Ninja Verde, escribiendo sobre su héroe en su blog o cargando memes del Ninja Verde en Internet.

GUY

Ejecutivo de gran éxito, Guy tiene mucho dinero y puede gastarlo en lo que quiera. Pero no lo busques en el Mundo Antiguo. Prefiere comprar en las tiendas caras del nivel superior.

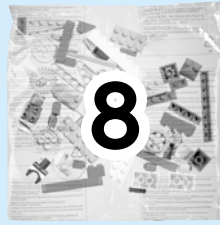

JUNO

Es diseñadora de modas y lo único que le importa es verse bien. Le encanta comprar ropa, pero no suele tener mucha suerte en la ciudad. ¡Siempre hay algo que le arruina su traje!
