“AÚN SIGUE VIVIENDO BUENA GENTE EN EL CALLEJÓN DEL CRIMEN”.

BATMAN™

● *Batman: La Serie Animada* (BLSA) (1992–1995) se convirtió en un éxito instantáneo cuando se emitió por primera vez y sigue siendo amada por críticos y fans de todas las edades por su impecable guion, su cuidada animación y su imponente banda sonora, elementos que le han valido múltiples galardones. Inspirada en las historias originales de los cómics de Batman™ de DC, BLSA ofrecía a los fans profundas narrativas del origen de cada integrante de la galería de villanos del Cruzado de la Capa. La serie contaba con conocidos actores de doblaje, estrellas invitadas, música dramática e inquietante, un diseño de personajes icónico y el evocador estilo artístico “dark déco”. La repercusión de la serie en la cultura popular es indudable, y aún hoy puede apreciarse.

BATMAN

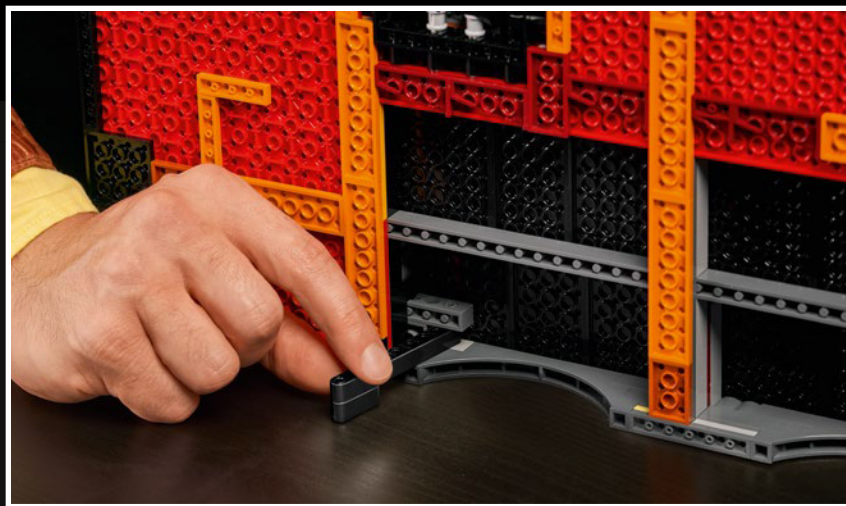

CONSTRUYE EL HORIZONTE DE GOTHAM CITY™ AL ESTILO LEGO®

Inspirado en los 85 episodios originales de *Batman: La Serie Animada*, el set LEGO® Gotham City™ de *Batman: La Serie Animada* recrea los colores dinámicos, los edificios icónicos, los personajes y los acontecimientos de la serie. Cada detalle, vehículo, estructura y decoración se ha

tomado de una escena, episodio o momento específico entre los héroes y villanos. Al igual que en la serie, la ciudad de estética "dark déco" esconde un vasto submundo en el que se desarrollan negocios ruines y astutos golpes de estado bajo las sombras. Esta pieza de exposición está diseñada para ofrecer una experiencia de construcción nostálgica y divertida, repleta de referencias y detalles ocultos. Forma equipo con tu cómplice favorito o con otro fan de BLSA para disfrutar construyéndola entre los dos. A menos que, como a veces prefiere Batman™, quieras ser un héroe solitario.

IMPRESIONES DEL EQUIPO DE DISEÑO

● “El estilo artístico ‘dark déco’ fue la fuente de inspiración. Supuso todo un desafío (divertido) emular con ladrillos su profunda sofisticación emocional y la dramática simplicidad visual que lo caracteriza. Para transmitir la esencia de esta corriente, solo se utilizan 15 colores, excepto donde los personajes han dejado su huella”.

Joel Baker, diseñador sénior de LEGO® DC Batman™
