« IL Y A ENCORE
DES GENS BIEN QUI
VIVENT DANS LA
RUE DU CRIME. »

– BATMAN™

● *Batman : La série animée* (1992–1995) a connu un succès immédiat lors de sa première diffusion et est toujours très appréciée par les critiques et les fans de tous âges pour ses textes, son animation et sa bande-son originale primés. Inspirée des scénarios originaux de la bande dessinée DC Batman™, cette série offrait aux fans des histoires complexes

pour tous les méchants de la galerie des escrocs du justicier masqué. Les voix à l'écran étaient celles d'acteurs de doublage célèbres et de guest stars, la musique était dramatique et envoûtante, et les personnages culte évoluaient dans le style artistique inspirant « Dark déco ». L'impact de la série sur la culture pop ne peut être surestimée : il est encore perceptible aujourd'hui.

BATMAN

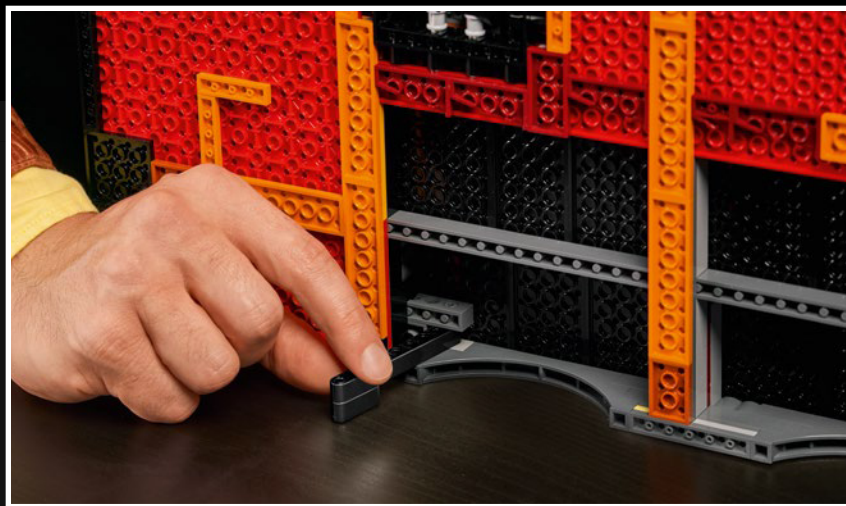

CONSTRUIRE LE PAYSAGE URBAIN DE LEGO® GOTHAM CITY™

Inspiré des 85 épisodes originaux de Batman : La série animée, le paysage urbain de Gotham City™ du set LEGO® *Batman : La série animée* reproduit les couleurs dynamiques, les bâtiments emblématiques, les personnages et les événements de la série. Tous les détails, véhicules, structures et décorations sont

extraits d'une scène, d'un épisode ou d'un moment dans la vie des héros et des méchants de la série. Tout comme dans la série, la ville « Dark déco » cache un vaste monde souterrain où se déroulent dans l'ombre des transactions ignobles et des manœuvres frauduleuses. Expérience de construction amusante et décoration empreinte de nostalgie, le set lui-même regorge de références et détails cachés. Faites équipe avec votre acolyte préféré ou un autre fan de *Batman, La série animée* pour vivre une expérience de construction à deux. À moins que, comme c'est parfois le cas pour Batman™, vous ne préféreriez être un héros solitaire.

LE MOT DE L'ÉQUIPE DE DESIGN

● « C'est le style artistique "Dark Déco" qui a inspiré l'idée. Nous nous sommes retrouvés face à un défi amusant consistant à reproduire en briques la sophistication émotionnelle et la simplicité visuelle dramatique de l'œuvre. Pour reproduire le style, seules 15 couleurs ont été utilisées, sauf aux endroits où les personnages ont laissé leur empreinte. »

- Joel Baker, LEGO® DC Batman™ Senior Designer
