

The image shows the box art for the LEGO Technic set 'Sub Slizer'. The background is a deep blue underwater scene with various sea creatures like jellyfish and coral. In the center, a blue and yellow LEGO Technic robot is shown in a dynamic pose, appearing to be underwater. The robot has a yellow propeller on its back and is holding a yellow circular object. The title 'SUB SLIZER' is prominently displayed at the top in a stylized, metallic font. The number '8503' is in the top right corner. The LEGO Technic logo is at the bottom left, and the number '4124715' is at the bottom right.
